ARTEMIC
RESCUE

Food Supplement

Water based emulsion, oromucosal spray
MyCell™ Enhanced herbal formulation

www.artemic.shop

Product description

ArtemiC Rescue is a clinically tested food supplement, containing extracts obtained from carefully selected plant parts of Curcuma Longa and Boswellia serrata, accompanied by artemisinin and vitamin C.

Technology

MyCell™ technology is used to increase the effectiveness and efficiency of the compounds by optimizing the bioavailability and cellular absorption of the active ingredients.

Immune Booster

ArtemiC Rescue contains Vitamin C which contributes to the normal function of the immune system, to the protection of cells from oxidative stress and reduction of tiredness and fatigue.

Packaging

One (1) 5 ml glass container with a dedicated spray pump system (one (1) spray pump equals to 200 µl).

Ingredients

Ingredients: Water, Vitamin C (L-ascorbic acid), Curcuma longa L. extract (rhizome), Arabic gum, Boswellia serrata extract (trunk, branches), Artemisinin, potassium sorbate, sodium benzoate.

All vegan

ArtemiC Rescue does not contain products of animal origin, artificial colorants or sweeteners. It contains natural preservatives like Vitamin C as active ingredient. ArtemiC Rescue is a vegan product.

Daily Dosage

Composition in recommended daily dose (2 ml)

Active Ingredient	Quantity	% EU NRV
Vitamin C (Ascorbic Acid)	120 mg	150%*
Curcuma Longa extract	40 mg	
Boswellia serrata extract	30 mg	/**
Artemisinin	12 mg	/**

Directions for use

Recommended daily dose equals to 2 ml for adults, older than 18 years. Before the first use of ArtemiC oromucosal spray, press the spray head several times in order to obtain even delivery. Spray ArtemiC solution in your mouth (to the inner cheek) twice a day, five sprays at a time (5 x 200 µl), once in the morning and once in the evening for two consecutive days. Do not swallow. One spray equals to 200 µl of ArtemiC. It is recommended taking ArtemiC at least half an hour prior to having a meal.

Allergic statement

ArtemiC Rescue contains ingredients that may cause allergic reaction in people sensitive to Artemisinin, Curcuma Longa extract or Boswellia serrata extract. If the reaction occurs, consult with medical doctor, medical practitioner or dietitian immediately.

The product has no other known side effects. It is derived from all-natural ingredients, without any known interactions with medicinal preparations. Should side effects occur, contact a doctor, medical practitioner or dietitian immediately. Consider reporting side effects to: ae@mgcpharma.com.au

Special precautions

Keep out of reach of children. The product is not designed to replace a medicinal product or a balanced diet. To keep healthy, it is important to maintain a balanced diet and a healthy lifestyle. Maintain adequate fluid intake. Not suitable for children, people with irritable stomach or gastric ulcers, pregnant and breastfeeding women. The product is safe for adults. Do not exceed the recommended dose. If daily dose is exceeded, consult with a medical doctor, medical practitioner or dietitian immediately.

Storage

Keep in an original packaging. Store in a dry place at temperature below 25°C, away from sunlight. Do not freeze. Shelf life is 12 months when stored according to storage conditions. When opened, consume within 30 days.
