## Food Supplement

Water based emulsion  
MyCell™ Enhanced herbal formulation

[www.artemic.shop](http://www.artemic.shop)

### Product description

ArtemiC Support is a food supplement, derived from natural ingredients, containing extracts obtained from carefully selected plant parts of *Curcuma longa* and *Boswellia serrata*, accompanied by vitamin C.

### Technology

MyCell™ technology is used to increase the effectiveness and efficiency of the compounds by optimizing the bioavailability of the active ingredients.

### Immune Booster

ArtemiC Support contains Vitamin C which contributes to the normal function of the immune system, to the protection of cells from oxidative stress and reduction of tiredness and fatigue.

### Packaging

One 30 mL white PET container with a scale pipette.

### Ingredients

Water, Vitamin C (L-ascorbic acid), *Curcuma Longa* L extract (rhizome), Arabic gum, *Boswellia Serrate* extract (trunk, branches), sodium benzoate, potassium sorbate.

### All vegan

ArtemiC Support does not contain products of animal origin, artificial colorants or sweeteners. It contains natural preservatives like Vitamin C as active ingredient. ArtemiC Support is a vegan product.

### Daily Dosage

Composition in recommended daily dose (1 ml)

Active Ingredient	Quantity	% EU NRV
Vitamin C (Ascorbic Acid)	60 mg	75%*
Curcuma Longa extract	20 mg	
Boswellia serrata extract	15 mg	/**

### Directions for use

Recommended daily dose equals to 1 ml for adults, older than 18 years.

Drop ArtemiC Support directly in your mouth, 0.5 ml at a time, twice a day, once in the morning and once in the evening. ArtemiC Support can also be taken mixed with water or fruit juice.

It is recommended taking ArtemiC Support at least half an hour prior to having a meal.

### Allergic statement

ArtemiC Support contains ingredients that may cause allergic reaction in people sensitive to *Curcuma Longa* extract or *Boswellia serrata* extract. If the reaction occurs, consult with medical doctor, medical practitioner or dietitian immediately.

The product has no other known side effects. It is derived from all-natural ingredients, without any known interactions with medicinal preparations. Should side effects occur, contact a doctor, medical practitioner or dietitian immediately. Consider reporting side effects to: [ae@mgcpharma.com.au](mailto:ae@mgcpharma.com.au)

### Special precautions

Keep out of reach of children. The product is not designed to replace a medicinal product or a balanced diet. To keep healthy, it is important to maintain a balanced diet and a healthy lifestyle. Maintain adequate fluid intake. Not suitable for children, people with irritable stomach or gastric ulcers, pregnant and breastfeeding women. The product is safe for adults. Do not exceed the recommended dose. If daily dose is exceeded, consult with a medical doctor, medical practitioner or dietitian immediately.

### Storage

Keep in original packaging. Store in a dry place at temperature below 25°C, away from sunlight. Do not freeze. Shelf life is 12 months when stored according to storage conditions. When opened, consume within 30 days.
